Learning Journey for Functional Skills Level 1
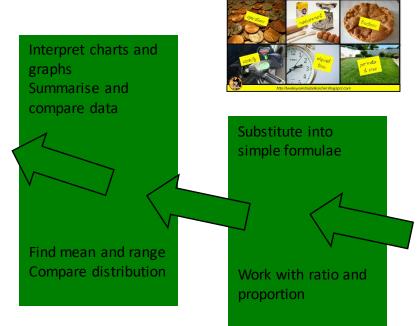

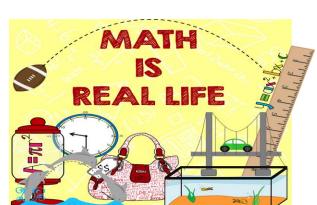

Edexcel Award in Number and Measure Level 2

Recognise 2D and 3D shapes
Use symmetry
Interpret elevations

Calculate area and perimeter of simple and compound shapes

GCSE Foundation Grade 4 - 5

Interpret charts and graphs
Summarise and compare data

Find mean and range
Compare distribution

Substitute into simple formulae

Work with ratio and proportion

Fractions Decimals and Percentages
Find fractions of amounts using differing units

Use decimals to 2 d.p.
Calculate percentage increase and decrease
Calculate simple interest.

Use the four operations with integers
Recognise types of number

Add, subtract, multiply and divide integers

GCSE Foundation Grade 1 - 3

Edexcel award Level 1
