

How I agree to use technology at school

This is how I will stay safe while using technology at school:

CARE

- I will ask an adult if I want to use any devices such as a computer or a tablet
- I will take care of the devices I am using

SAFETY

- I will not share my password with anyone
- I will only use activities or websites that the adult has told or allowed me to use
- I will ask for help if I am not sure what to do or if I think I have done something wrong
- I will tell an adult if I see something that upsets me on the screen
- I will not give my details or post anything online, including pictures
- On my own device, I will check the settings to only let the people I want see my details

KINDNESS

- I will tell an adult if someone is bullying me or others
- I will speak nicely to people online
- I will follow my teacher’s instructions

AGREEMENT

I know that if I break the rules I might not be allowed to use any device for a while:

Name:

Signed (child):

Signed (Parent):

Date:

High Close School
